**CURRICULUM VITAE**  
**MICHELLE ANN ZELLER, PSY.D., ABPP/CN**

---

11856 Balboa Boulevard, #380  
Granada Hills, CA 91344  
Telephone: 978.293.5537; Email: mazeller75@gmail.com

**NATIONAL BOARD CERTIFICATION**

April 20, 2012 American Board of Professional Psychology; Clinical Neuropsychology (ABPP/CN)  
(Diploma Number: 7152)

**PROFESSIONAL LICENSURE**

Nov 30, 2005 California Board of Psychology; License Number: PSY 20608 (NPI#: 1275635161)

**PROFESSIONAL LIABILITY INSURANCE**

Trust Risk Management Services, Inc. (TRMS Policy #: 68G26099183)

**PROFESSIONAL MEMBERSHIPS**

American Academy of Clinical Neuropsychology (AACN, Membership #:51908)  
American Board of Professional Psychology (ABPP, Diplomate #:7152)  
American Psychological Association (APA, Membership #: 0637-2976)  
Division 40 – Clinical Neuropsychology  
International Neuropsychological Society (INS, Membership #: 401100847)

**EDUCATION**

2004 - 2006	Neuropsychiatric Institute, Los Angeles, CA	Residency	Geriatric Neuropsychology
2000 - 2004	Pepperdine University, Culver City, CA	Psy.D.	Clinical Psychology
	<u>Dissertation:</u> PTSD, Substance Abuse, and Violence Among Combat Veterans		
1998 - 2000	Pepperdine University, Culver City, CA	M.A.	Psychology
1996 - 1997	Boston College, Chestnut Hill, MA	B.A.	Psychology
1993 - 1995	Notre Dame College, Manchester, NH		Psychology

**CLINICAL EXPERIENCE**

**Certified Neuropsychology, LLC, Granada Hills, CA**

Jan 2016- present Position: Owner/Founder  
Description: Business that performs independent neuropsychological evaluations for disability/compensation, long-term care and forensic competency determinations, including medical file reviews.

**VA Greater Los Angeles Healthcare System, Los Angeles, CA**

Aug 2006 - present Position: Clinical Neuropsychologist  
Description: *Inpatient Physical Medicine & Rehabilitation Services*  
Performing diagnostic interviews, capacity assessments and cognitive evaluations, providing supportive therapy and education to patients and families, leading an amputation support group (cancer support group through 2019 & stroke support group through 2021), supervising residents (interns through 3/24 & preinterns through 2023), functioning and consulting within a large interdisciplinary team and providing in-services as needed.

Jan 2008 - Aug 2015 Position: Director of Clinical Training for Pre-Internship  
Description: Communicated with Clinical Training Directors from various doctoral programs, recruited applicants, attended site fairs, reviewed applications, scheduled interviews, selected pre-interns for training, and monitored and evaluated trainee progress.

**Sports Concussion Institute, Los Angeles, CA**

Aug 2017 – Dec 2018 Position: Qualified Baseline Assessment Program (BAP) Provider  
Description: Conducted clinical interviews with retired NFL players, interpreted neuropsychological test data and generated written reports as part of the NFL Concussion Settlement: Baseline Assessment Program to determine effects of concussion on cognition.

**Superior Court of California, County of Los Angeles, Los Angeles, CA**

Jan 2016 – Jan 2019 Position: Expert Witness in Neuropsychology  
Description: Conduct neuropsychological evaluations, including competency evaluations, with adults in forensic settings.

**Barrington Psychiatric Center, Los Angeles, CA**

Dec 2013- Dec 2016 Position: Neuropsychological Consultant  
Description: Conducted independent neuropsychological evaluations and file reviews for claimants seeking worker's compensation or long term disability.

**Los Angeles Neuropsychology Group, Los Angeles, CA**

Mar 2009- Mar 2011 Position: Neuropsychological Consultant  
Description: Conducted interviews, performed neuropsychological batteries, scored results, and wrote interpretation for clients seeking disability compensation.

**SUPERVISED CLINICAL EXPERIENCE**

**Stewart and Lynda Resnick Neuropsychiatric Hospital at UCLA (formerly NPI), Los Angeles, CA**

Mar 2006 - Aug 2006 Position: Postdoctoral Resident  
Description: *Harbor-UCLA Medical Center*  
 Conducted neuropsychiatric assessments to a diverse population of outpatients, often diagnosed with dementia, learning disabilities, and traumatic brain injury. Continuing to pursue research interests, conducting individual and group therapy, and supervising students in the administration and scoring of neuropsychological measures.  
Supervisors: Kyle Boone, Ph.D., ABPP/CN, Po Lu, Psy.D., Sally Newman, R.N., Angela Lau, Ph.D. & Linda Ercoli, Ph.D./4hr/wk

Sep 2005 - Feb 2006 Position: Postdoctoral Resident  
Description: *VA Greater Los Angeles Healthcare System*  
 Performed neuropsychological assessments for both outpatient and inpatient services. Attended and participated in various didactics and the Behavioral Neuroscience Seminar. Prepared a poster presentation for the International Neurological Society meeting. Continued individual and group therapy, as well as supervision of students in the administration and scoring of neuropsychological measures  
Supervisors: Charles Hinkin, Ph.D., ABPP/CN, Po Lu, Psy.D., Sally Newman, M.A., Angela Lau, Ph.D. & Linda Ercoli, Ph.D./4hr X wk

Mar 2005 - Aug 2005 Position: Postdoctoral Resident  
Description: *Neurology of Aging*  
 Performed neuropsychological evaluations for the Neurology Clinic. Continued to provide individual and group therapy for Geriatric Day Treatment Services (GDS). Presented research at The 10<sup>th</sup> Annual Research Conference on Aging and continued to pursue research in the area of Mild Cognitive Impairment. Supervised students in the administration of neuropsychological assessment and continued attendance at various didactic seminars.  
Supervisors: Jennifer Dunkin, Ph.D., Po Lu, Psy.D. & Sally Newman, R.N., M.A./3hr X wk

- Sep 2004 - Feb 2005 Position: Postdoctoral Resident  
Description: *Geropsychology*  
 Conducted neuropsychological evaluations for the Geriatric Assessment Program (GAP) and Psychiatric Inpatient Program. Provided individual and group therapy for Geriatric Day Treatment Services (GDTs). Performed research including a literature review and data analyses that led to a poster presentation at the International Neuropsychological Society meeting. Attended didactics on neuroanatomy, geriatric psychiatry, advanced topics neuropsychology and psychodiagnostic assessment.  
Supervisors: Jennifer Dunkin, Ph.D. & Sally Newman, RN, M.A./3hr X wk
- VA Greater Los Angeles Healthcare System, Los Angeles, CA**
- June 2004 - Aug 2004 Position: Intern  
Description: *Health Psychology*  
 Gained the ability to function as part of a medical team and to evaluate psychological issues in medical patients from Pain Management, Cardiac Rehabilitation, Smoking Cessation, and Women's Health Programs. Provided biofeedback, coping skills, and relaxation trainings and will co-lead psychotherapy and educational groups for medical patients. Served as the primary mental health consultant for various medical teams and attended medical rounds and the weekly Behavioral Medicine Seminar.  
Supervisors: Charles McCreary, Ph.D., ABPP & Anna Okonek, Ph.D./4 hr X wk
- Mar 2004 - May 2004 Description: *Neuropsychology*  
 Gained knowledge of brain-behavior relationships and interpretation of clinical approaches and research findings. Performed neuropsychological assessment on patients with Alzheimer's disease, vascular dementia, subcortical dementia, head injury, substance-induced cognitive disorders, seizure disorder, and major psychopathology. Participated in the weekly Neurobehavior and Memory Disorders Clinic and attended the weekly Neuropsychology Case Conference and Neuropsychology Seminar at UCLA.  
Supervisor: Charles Hinkin, Ph.D., ABPP/CN/4 hr X wk
- Dec 2003 - Feb 2004 Description: *Geriatric Education, Research, and Clinic Center (GRECC) & Geriatric Evaluation and Management (GEM) Unit*  
 Continued to develop fundamental knowledge of psychopathology in the elderly and the developmental processes of normal aging. Provided psychological and neuropsychological assessment and conducted short-term individual and family therapy, and co-led an amputee support group. Attended and participated in team meetings, medical rounds, and GRECC lectures.  
Supervisor: Stacy Wilkins, Ph.D., ABPP/CN/4 hr X wk
- Sep 2003 - Nov 2003 Description: *Geropsychology*  
 Conducted assessment of older adults within the Geropsychology Outpatient Clinic and the Nursing Home Care Unit (NHCU), including neuropsychological and psychodiagnostic evaluations. Co-led a supportive psychotherapy group for older adults, provided short and long-term psychotherapy, and attended and participated in interdisciplinary team rounds.  
Supervisors: Jeffrey Ball, Ph.D. & Sheryl Osato, Ph.D./4 hr X wk
- VA Long Beach Healthcare System, Long Beach, CA**
- Mar 2003 - Aug 2003 Position: Predoctoral Intern  
Description: *Psychiatric Evaluation and Treatment Services (PETS), and Posttraumatic Stress Disorder Programs, Anger Management*  
 Provided psychological services for those veterans who were self-referred for evaluation, diagnosis, triage, crisis intervention, and short-term treatment. Ensured

patients received proper referrals for medication management, psychotherapy, or inpatient stabilization. Led/co-led two weekly PTSD treatment programs: Combat Stress and Anger Management groups. Attended and participated in weekly, interdisciplinary colloquiums, in which recent medical and psychological research was presented and discussed.

Oct 2002 - Feb 2003 Supervisor: Susan Houston, Ph.D./ 2 hr X wk  
Description: *Neuropsychology and Rehabilitation Medicine*  
 Performed neuropsychological and psychological assessments for the establishment of diagnosis, treatment and rehabilitation planning, and prognosis for outpatient veterans. Provided general psychological consultation services to Rehabilitation Medicine, including facilitating adjustment in the brain-injured individual and his/her family. Attended rehabilitative medicine seminars.  
Supervisor: Jeffery Webster, Ph.D./2 hr X wk

**FOCUS: Educational Programming Specialist, Los Angeles, CA**

Jan 2001 - Aug 2003 Position: Supervisor  
Description: Supervised employees, performed monthly presentations, and facilitated group supervision meetings as a part time employee. Provided parental education and information and consulted with the child's treatment team, including teachers and therapists. Wrote quarterly individualized educational plans and attended annual, individualized, educational plan conferences.

Oct 2000 - Aug 2003 Position: Behavioral Consultant  
Description: Provided individualized services to autistic children at home and school environments as a part time employee. Facilitated conversational speech, reciprocal exchange, and symbolic play to increase overall development and structured a floor-time/play-based or cognitive behavior model for these social interactions to occur. Implemented token economy systems and positive reinforcement programs.  
Supervisor: Shah Bahador, Ph.D./1hr X wk

**Harbor-UCLA Medical Center, Department of Psychiatry, Torrance, CA**

Aug 2001 - Aug 2002 Position: Extern  
Description: Conducted neuropsychological assessments with outpatient adults diagnosed with stroke, dementia, learning disability, and traumatic brain injury. Conceptualized diagnoses, identified strengths, and made treatment recommendations through the integration of test battery results. Attended weekly neuropsychological seminars, case conferences, and group/individual supervision.  
Supervisor: Kyle Boone, Ph.D., ABPP/CN/2 hr X wk

**Union Rescue Mission, Los Angeles, CA**

Jan 2001 - Aug 2001 Position: Extern  
Description: Provided individual therapy in the 12-month residential Christian Life Discipleship Program for men. Dealt with issues of homelessness, substance abuse, mental illness, vocational training, and spirituality. Ensured clients obtained proper referrals for medical and psychiatric evaluations, received weekly supervision, and presented case conferences.  
Supervisors: Aaron Aviera, Ph.D. & Cary Mitchell, Ph.D./2 hr X wk

**Hillcrest Educational Center, Lenox, MA**

Mar 1998 - Sep 1998 Position: Child Care Counselor  
Description: Worked in a locked, residential, educational treatment program as a full time employee. Provided direct and immediate counseling for emotionally and learning disabled adolescents, who presented daily risks to themselves and others. Ensured a safe and structured environment through verbal/ physical intervention.

Supervisor: Robert Moon/1 hr X day

### **VOLUNTEER CLINICAL EXPERIENCE**

#### **The Children's Hospital, Boston, MA**

Sep 1997 - Dec 1997 Position: Volunteer  
Description: Assisted with child activities, such as art and play on the Neuroscience Unit for neurology, neurosurgery, and neuro-oncology patients with seizure disorders, brain tumors, head trauma, and other brain/spinal cord disorders. Ensured a safe environment for the children and provided relief for the parents.  
Supervisor: Daphne Saavedra, M.S./1 hr X wk

#### **Berkshire Medical Center, Pittsfield, MA**

May 1997 - Aug 1997 Position: Volunteer  
Description: Led and participated in group programs on the Locked Psychiatric Intensive Care Unit for various psychiatric disorders such as Alzheimer's disease, Bipolar Disorder, Depression, Schizophrenia, and Obsessive Compulsive Disorder. Provided one-on-one patient care and gained knowledge of a clinical setting through observations and teachings from various clinicians. Involved in a staff and community benefit for Alzheimer's disease by fundraising and participating as a runner in a benefit road race.  
Supervisor: Mark Keller, LCSW/1 hr X wk

#### **The Samaritans, Boston, MA**

Jan 1997 - May 1997 Position: Volunteer  
Description: Gained knowledge about suicide risk assessment. Provided counseling to reduce depression and the risk of suicide with crisis intervention skills at a Suicide/Crisis Hotline.

#### **McLean Hospital, Belmont, MA**

Dec 1996 - Dec 1997 Position: Volunteer  
Description: Observed Mini Mental and Mental Status examinations and attended weekly rounds with treatment team on the Inpatient Units and Residential and Partial Programs on the Geriatric Unit. Participated with patients in various group programs, including music, art, pet, and fitness therapy.  
Supervisor: Douglas Knight/2 hr X wk

### **TEACHING EXPERIENCE**

#### **West Los Angeles VA; Physical and Medicine Rehabilitation Service, Los Angeles, CA**

Yearly Description: Mock Fact Finding with Neuropsychology Residents in preparation for ABPP/CN oral exam.  
 Yearly Description: Presentation to intern class about Psychology in the medical setting and neuropsychological assessment.  
 Yearly Description: Presentation to intern class about assessing decision making capacity.  
 Yearly Description: Presentation to intern class about potential ethical dilemmas that arise during cognitive assessment in the inpatient setting.

#### **Stewart and Lynda Resnick Neuropsychiatric Hospital at UCLA (formerly NPI), Los Angeles, CA**

Jan 2005- Aug 2006 Position: Supervisor  
Description: Supervised graduate students on neuropsychological test administration, scoring, report writing, and interpretation  
Position: Postdoctoral Resident  
 Feb 2006 Description: Presented topics related to Mild Cognitive Impairment and the role of Neuropsychology in assessing capacity for the Neurobehavior Seminar

- April 2005 Description: Presented a lecture entitled: “Which Came First; Posttraumatic Stress Disorder or Smaller Hippocampal Volume?” for the Neuropsychological Informal Brown Bag Lunch (NIBBL)
- Pepperdine University, Culver City, CA**
- Nov 2005 Position: Guest Lecturer  
 July 2005 Description: Presented a lecture entitled: “Introduction to Neuropsychology” to a graduate Cognitive Assessment Class
- June 2005 Position: Guest Lecturer  
Description: Spoke on a panel about past experiences and future plans in the field of Neuropsychology
- Fuller Theological Seminary, Pasadena, CA**
- Feb 2005 Position: Guest Lecturer  
 Oct 2005 Description: Presented a lecture entitled: “Answers to the Basic Questions About Geriatric Neuropsychology” to a graduate Interventions in Gerontology class.
- West Los Angeles VA; Geriatric Education, Research, and Clinic Center (GRECC), Los Angeles, CA**
- Feb 2004 Position: Intern  
Description: Presented a lecture entitled: “Clinical Implications for PTSD among the Geriatric Population.”
- Long Beach VA; Interdisciplinary Colloquium**
- July 2003 Position: Pre-Intern  
Description: Presented a lecture with Dr. Susan Houston about the controversial research about reduced hippocampal volume and PTSD.
- University of California, Los Angeles, CA**
- November 2003 Position: Guest Lecturer  
Description: Presented a lecture on PTSD, including symptoms, assessment, and treatment to an undergraduate Abnormal Psychology class.
- Pepperdine University, Culver City, CA**
- Sep 2002 - Aug 2003 Position: Teacher’s Assistant  
Description: Presented lecture material, provided consultation for students, and graded exams, papers, and projects for Master’s level students in Substance Abuse Assessment/Treatment and Behavioral Assessment/Intervention courses.  
Professor: David Foy, Ph.D.

### RESEARCH EXPERIENCE

- Stewart and Lynda Resnick Neuropsychiatric Hospital at UCLA (formerly NPI), Los Angeles, CA**
- Sep 2005 - Aug 2006 Position: Postdoctoral Resident  
Description: Presented poster seminars regarding the effects of hormones on neurocognition and executive functioning in Mild Cognitive Impairment at the 33<sup>rd</sup> and 34<sup>th</sup> International Neuropsychological Society Meetings. Investigating the cognitive risk of Apolipoprotein E and preparing a manuscript for publication.  
Supervisor: Po Lu, Psy.D.
- Oct 2003 - Aug 2004 Position: Volunteer  
Description: Coding, merging, and analyzing data files regarding the effect of various hormones, particularly estrogen, on neurocognition within a sample of depressed and nondepressed postmenopausal women.  
Supervisor: Jennifer Dunkin, Ph.D.

**Pepperdine University, Culver City, CA**

Sep 2001 - Sep 2003 Position: Research Assistant  
Description: Conducted reviews of trauma literature, participated in development of journal writing and formulated clinical, theoretical, and research implications within a trauma research lab.  
Supervisor: David Foy, Ph.D./3 hr X wk

**National Center for Posttraumatic Stress Disorder/Palo Alto VA, Palo Alto, CA**

July 2002 Position: Volunteer  
Description: Conducted data entry in research lab.  
Supervisors: Kent Drescher, Ph.D. & Josef Ruzek, Ph.D./1 hr X day

**RAND Corporation, Santa Monica, CA**

Nov 1999 - Oct 2000 Position: Assistant Project Director  
Description: Explored the effects of relationships upon drug treatment outcome, led focus groups, and collected and coded data.  
Supervisor: Kara Riehman, Ph.D./1 hr X wk

Nov 1998 - Oct 2000 Position: Research Consultant  
Description: Worked in a methadone clinic as a full time employee with substance abusers, investigating the role of incentives upon sobriety in a behavioral health study. Conducted intake and routine follow-up interviews, collected urinalyses, and tracked and located clients.  
Supervisors: Andrew Morral, Ph.D. & Martin Iguchi, Ph.D./1 hr X wk

**Neuropsychiatric Institute at UCLA/Center for Community Health (CHH), Los Angeles, CA**

Sep 1998 - Nov 1998 Position: Research Associate  
Description: Prepared materials for publications and presentations in nationally related journals and conferences regarding HIV prevention and treatment.  
Supervisor: Chris Lambert, Ph.D./1 hr X day

**Boston College, Boston, MA**

Sep 1997- Dec 1997 Position: Research Analyst  
Description: Coded sibling interactions/behaviors from videotaped play sessions.

**MANUSCRIPTS & PUBLICATIONS**
